

## Remarks

Claims 10-35 are pending in this application. Applicant has rewritten the claims to delete multiple dependencies to reduce the filing fee. Additionally, Applicant has rewritten the claims to bring them more in line with standard U.S. format. Applicant has also added claims to recite subject matter covered by multiple dependent claims.

Applicants have amended the specification to insert section headings and delete reference to the claims. Also, Applicants submit an abstract of the disclosure herewith on a separate sheet.

The undersigned authorizes the Commissioner to charge fee insufficiency and credit overpayment associated with this communication to Deposit Account No. 22-0261.

Respectfully submitted,

Date: 6/10/05
